Dear PAL

I recently approached my GP Dr [ENTER YOUR GPs NAME HERE] of [ENTER YOUR GPs ADDRESS HERE] and asked him/her to refer me to a [ENTER THE TYPE OF THERAPY HERE].

The doctor refused to refer me, I asked the doctor why, but the doctor

[USE ONE OF THE FOLLOWING OPTIONS ONLY]

refused to tell me

said they did not believe in [ENTER THE TYPE OF THERAPY HERE]

said they were willing to prescribe it, but didn't know how to

said the PCT was not prepared to fund it

said the practice was not prepared to fund it.

I am not satisfied with this response, as I would like to receive [ENTER THE TYPE OF THERAPY HERE] via the NHS.

Would you please take the matter up on my behalf with the Board of the PCT.

Yours sincerely
